ESCAPE THE ORDINARY MEETING AND ENJOY ONE OF OUR LANIER ISLANDS EXCLUSIVE CMP PACKAGES!

Sweet Start Meeting Package

Make every attendee feel like a VIP!

Featuring amenities inspired by our southern lakeside location, we will welcome each of your overnight guests with a very special arrival gift and personal note placed prominently in their room upon arrival.

In the fall and winter, they might enjoy our special s'mores kits and an invitation to join their peers at our outdoor fire pits.

In the spring and summer, some sunscreen and an ice-cold bottle of peach tea with an invitation to meet on the beach will remind them why you picked this scenic waterfront destination for your event.

Exclusive Elements

- Welcome amenity for each attendee on the night of arrival
- Personal welcome note for each attendee

Discover the Lake Meeting Package

Assume your rightful place as captain as you set sail from Harbor Landing to explore the open water and tranquil coves of Lake Lanier. This package includes one Pontoon per 8-10 attendees for 4 hours – affording you and your team members plenty of time for a self-guided cruise around the lake. Pack a lunch, bring your camera, and sit back and relax to the sound of the waves lapping against the hull. During your excursion, you and your team may choose to drop anchor off the shores of a deserted island or pull up to the docks at our wildly popular Sunset Cove Beach Café & Marina.

Why merely enjoy a meeting BY the lake when you could enhance your visit with the opportunity to spend some time on the lake. It's a great way to say "thank you" to your team for a job well done!

Exclusive Elements

- 4-hour Pontoon rentals to accommodate entire group

The Unsinkable Regatta Meeting Package

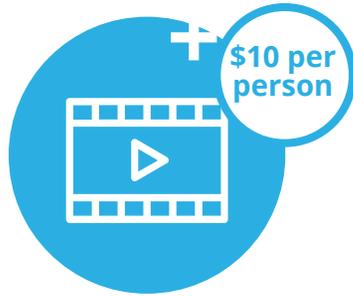

Despite its nickname "Old Ironsides," the famed USS CONSTITUTION was a wooden ship. History has taught us that her perfect battle record earned her the formidable moniker.

Now, you and your team have an opportunity to make a little history of your own. Work together to build your own ship out of cardboard, then choose a captain to race it across the treacherous waters of our heated salt-water pool! Get ready for a lot of strategizing, team building, implementation, and cheering!

Insider Tip: cutting holes in your ship to use your legs as paddles will lead straight to the watery depths, my friend! Yes, someone actually tried this.

Exclusive Elements

- Guided Cardboard Regatta boat building
- Cardboard Regatta Race

The Spectacular Screen Meeting Package

Feeling a little nostalgic? Experience the bygone era of drive-in movies and beach parties all rolled into one! Thanks to our brand new 40x80-foot screen set high on the hillside above our ½-mile stretch of white sandy beach, your attendees can enjoy a truly unique evening of cinema under a sea of stars while relaxing in a beach chair with their toes in the sand.

For added fun, we can tie in a movie title to fit the theme of your meeting, and to enhance the experience even further, we offer a terrific selection of beach-themed food and libations.

Exclusive Elements

- Beach Passes for all attendees
- Entertainment on the Spectacular Screen and reserved seating for entire group

Winter Adventure Meeting Package

All work and no play can wreak havoc on any team. Studies have shown that teams that play well together often work well together, and summer is one of the best times to get outside and PLAY.

Be sure to leave plenty of time for your attendees to relax along our ½ mile of white sandy beach and enjoy mouthwatering food and libations at our boardwalk restaurants.
